

The Rosary

Jesus and Mary were attending a friend's wedding at Cana when Mary noticed the wine was running out. To save embarrassment for their host, Mary asked Jesus if he would sort out the problem. Jesus answered his mother's request and turned water into wine.

Sons whenever possible, always do what their mum's ask them to do.

Jesus always grants His mother's wishes.

When in need we should always ask for Mary's help.

The most effective way of doing this is to pray the Rosary.

On the 11 February 1858 Our Lady 1st appeared to Bernadette. Our Lady had Rosary beads on her right arm and invited Bernadette to pray the Rosary with her. Our Lady remained silent passing the Rosary beads through her fingers but recited with Bernadette the Gloria.

On the 13 May 1917, Our Lady appeared at Fatima to Lucia. Our Lady urged Lucia to pray the Rosary each day, to obtain peace for the world, and the end of the war.

WW1 ended on 11 November 1917.

We know:

- The Rosary is the most powerful weapon we possess.
- The Rosary can fight all kinds of injustice, inequality, and pure evil.

If you are in a hurry to have a prayer answered reach for your rosary beads.

Our Lady always answers our prayers, sometimes not in the way we thought she would but better than we could imagine. If you don't know the power of the Rosary, try it.

You will make Our Lady smile.
