**CAFOD** is highlighting that so many low-income countries face unsustainable debt. Crises, including the pandemic, forced countries to borrow at extortionate rates. Now many are trapped in a spiral of debt they can't clear. But our Government can help change this.

As we've heard at Mass, Cardinal Stephen Mulla from South Sudan has written to Catholics here explaining the effects on our sisters and brothers in countries like his.

Please consider adding your name to CAFOD's petition on this crucial topic:

## Catechism of the Catholic Church

### -Section one: "I believe – We believe"

### 3. How is it possible to know God with only the light of human reason?

Starting from creation, that is from the world and from the human person, through reason alone one can know God with certainty as the origin and end of the universe, as the highest good and as infinite truth and beauty.

### PRAYER FOR PEACE

Loving God,  
we pray for the people who are in war.  
For all those suffering or afraid,  
that You will be close to them and protect them.  
We pray for world leaders for compassion,  
strength and wisdom to guide their choices.  
We pray for the world that in this moment of crisis,  
we may reach out in solidarity  
to our brothers and sisters in need.  
May we walk in your ways so that peace and justice  
become a reality for the people all over the world.
